

Why You Should Consider King's

1. Your Relocation Will Be On Time and On Budget – Guaranteed

King's Commercial Project Manager will provide you with a free estimate within 24 hours of review of your requirements. You decide whether you want a "firm price" estimate or an "hourly charge" along with individual charges for specialized services. Either way King's will stand by its price and guarantee all work.

2. Your Relocation Will Be Handled By Professionals

From the time you accept King's quote, King's Commercial Project Manager will be your single source of contact throughout the move. King's teams are experienced, professional and courteous. King's employees are uniformed, bilingual and will treat your valuables as their own. King's teams will disassemble and reassemble everything. They will follow the agreed-to plan throughout the entire move. Along with award winning staff, King's have the proper equipment to ensure that everything meets your expectations.

3. Your Relocation will be Supported by the Entire King's Team

Until the job is complete, King's Commercial Project Manager remains responsible for its success. Your designate will be provided with a Moving Checklist and documentation that will explain everything that will be done before and during the move. Your goods will be handled safely and items requiring safe-guarding will be packed in either boxes or bins, identified by multi-coloured labels to ensure accurate distribution and placement. In the event of questions or changes during the move, King's Commercial Relocation support team is always available by telephone, email, fax or in person. Throughout the process your designate will be kept informed of the progress.

Commercial Relocation

King's Transfer Van Lines has been the Canadian leader in commercial relocation since 1922 and throughout those eight decades they have perfected their craft. Originally founded in Montreal, King's also has specialized commercial relocation divisions in Toronto, Ottawa and Calgary to serve Canada's business community, as well as an international office for its overseas clients.

Each year King's handles hundreds of commercial moves. Whether it is an intra-office move, a single office suite, a warehouse, a factory, or an entire office building, King's has the expertise, people power, specialized equipment and experience needed to ensure that your commercial relocation is on time and on budget. King's knows that you cannot afford downtime so they get you up and running quickly and efficiently, with minimal disruption to your business operations.

The King's Difference

Before a single item is moved, King's adds value by bringing the best practices of the industry to planning your relocation. From pre-planning to completion, King's Commercial Project Manager will work with you every step of the way.

King's Transfer Van Lines Professional Commercial Relocators Since 1922

Some of King's Commercial Relocation Services:

Internal Office Moving

King's are specialists at moving a single workstation or an entire office quicker and more efficiently than you could ever imagine. Big or small... King's does it all.

Installation and Reconfiguration Services

King's full time office installation teams are highly trained and professional. Employers are selected based on their knowledge, as well as their superior customer service skills and their ability to work as a team. King's has established monetary incentives for doing it right, but the real inspiration is the personal pride that comes from creating a satisfied customer.

Computer Equipment Hook-Ups and Assembly

King's teams are trained and certified at disconnecting, moving and reconnecting computers, printers and other electrical equipment to meet all of our client's technological requirements.

Moving Specialized or High Value Products

King's utilizes the highest quality moving equipment and personnel to ensure that even the most valuable or delicate goods arrive safely and damage free.

Storage, Inventory and Delivery Service

King's offers a competitive and guaranteed safe way to store practically anything. Warehouses are electronically monitored, temperature controlled and safeguarded by both burglar and fire alarms. All incoming goods are inventoried prior to storage. Pick-ups and deliveries can be arranged to any destination.

Small Task Service

King's can provide a single resource or many resources for a day, a week or a month. Call King's, we'll have the right individual(s) for you.

Trade Shows and Special Products Service

King's will professionally pack, deliver, set-up, disassemble and return everything in the same condition as they received it.

Government, Hotels, Hospitals, Schools & Warehouses

King's has the tools, flexibility, equipment and trained staff to meet every requirement.
